

Special Education

- ◉ Is special education the only thing preventing your school from being successful and/or meeting AYP?
- ◉ Do the teachers need assistance with effective co-teaching and teaching methodologies for special education students?
- ◉ Do the special education teachers need guidance with writing IEPs and meeting compliance?
- ◉ Do you and your team need strategies for effectively communicating with special education students, their parents, and/or student advocates?

EdGuru Academy:
*Cutting Edge Professional Development
for Educators by Educators*
